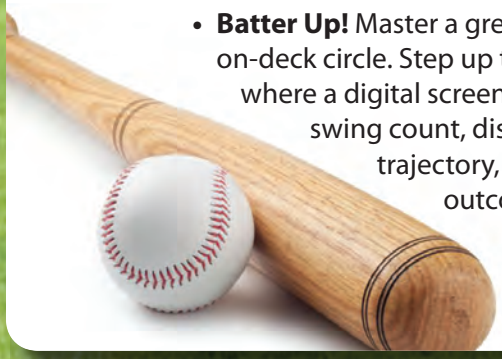
TEST YOUR SKILLS

- **Pitcher's Mound** Review tips for proper pitching, take the mound and pitch into the strike zone or be the umpire and make the call!
- **Batter Up!** Master a great swing in the on-deck circle. Step up to the plate where a digital screen records the swing count, displays the ball's trajectory, and reports the outcome based on the hit.



- **Who's on First?** A virtual first-base coach will communicate scenarios, strategies and projected outcomes as you lead off, run to second or "slide" back into the bag.
- **Get a Grip** Simulated plays will prompt you to throw from the infield or outfield – afterward, you'll find out if it was a catch, an out, safe at the plate or an error.
- **Keep Your Eye on the Ball** Grab a glove! A motorized activity creates fly balls and grounders for catching practice. Tips for body and glove positioning will help get the ball in the pocket.

EXPLORE THE EXCITING WORLD OF PROFESSIONAL BASEBALL

- **Clubhouse** Step into the locker room to check the schedule, roster, batting order and stats. Learn about the evolution of the game in the U.S. and view some of baseball's iconic plays and interviews.
- **Stadium Office** Learn about the teams that make up Major League Baseball and the excitement of the season – from spring training to the World Series. Learn vocabulary and rules, how to calculate statistics, and discover facts about stadium operations.
- **Announcer's Booth** Give a play-by-play based on real game clips. Capture your commentary, add sound effects and play it back to hear your broadcast.
- **Fan Club** Root for the home team! View uniforms and baseball cards. Snap a pic in front of a special back-drop. Customize your own team logo, player name position and uniform using the graphic design station.

THERE'S NOTHING LIKE THE BALLPARK EXPERIENCE!

- **Tailgate Time** Tune into radio broadcasts to hear League updates from across the the country, fill out your scorecard, and gear up with pre-game activities. Then, head for the stadium arches, enter through the turnstile and hear the park come alive!

- **Keeping Score** Catch All-Star information, bloopers and more on the scoreboard, then join the crowd for the seventh-inning stretch and the wave. Answer trivia questions, calculate batting averages and solve physics-themed challenges.
- **Live Game Coverage** Interview players, coaches and fans using a real camera and green-screen technology to select your "on-location" broadcast from the field, locker room…or with a team mascot!
- **Get Your Popcorn Here!** Recreate the ballpark experience with props, costumes and fun math and literacy activities at ticket sales and concessions. A special "ticket package" lets you watch clips of the most exciting plays in the game's history.

Have fun at a ball game – any day of the year!

Big League Fun is an engaging educational exhibit experience for children and families. Emphasizing the science and math behind the game, the exhibit addresses key academic standards for school-age children, and entertains baseball fans of all ages.

Features include:

- Anchor components that focus on baseball fundamentals
- Activities, games and graphics that showcase the sport's educational value
- Role play, trivia and creative uses of technology that highlight the iconic sights and sounds of the game
- Flexible Footprint - 2,000 sq. ft

Rental opportunities Spring 2017 through Fall 2021
