

## Photography/Videography Release

In entering the Museum, guests agree to participate in the documentation of any performance, presentation, or other activity associated with the Betty Brinn Children's Museum (BBCM), and authorize BBCM to record, rerecord and photograph my likeness, performance, voice, and artwork. BBCM may edit and adapt my participation as it deems appropriate.

Unless staff is notified by the guest(s), Museum guests waive the right to inspect or approve the photographs, footage, artwork or other materials owned by me before they may be duplicated, distributed, broadcast exhibited or used.

If you have questions about the Museum's photography, videography or other media, please email [questions@bbcmkids.org](mailto:questions@bbcmkids.org).
